

BOARD IN CONNECTOR

2412 SERIES 2.50mm(0.098") For PCB Solder

Features

- Available in 2 through 15 circuits
- Material: Nylon 6/6 UL 94V-0
- Applicable PC board thickness: 1.60mm
- Accepts 2413 crimp terminal
- Low profile

BOARD IN CRIMP TERMINAL

2413 SERIES 2.50mm For PCB Solder

Features

- Mates with 2412 series socket
- Accommodates wires ranges AWG 22-28
- Material: Pre-finned brass
- Insulation diameter: 2.00mm(0.079") Maximum
- Available in Straight or Right angle version
