

VERTICAL PCB CONNECTOR

3970 SERIES 3.96mm (0.156") Vertical Connector. For PCB solder.

Features

- Available in 2 through 15 circuits
- Insulator Material: Nylon 6/6 UL 94V-2
- Standard with tin plated solder tail terminal
- Mates with 3963, 3966, 3986, 3987 and 3988 headers
- Accepts 1.14 mm (.045") square pin
- With friction locking ramp
