

DUAL INSULATOR STRAIGHT HEADER

5071 SERIES 5.08mm (0.200") Square Pin. For PCB Solder

Features

- Available in 2 through 20 circuits
- Insulator Material: LCP UL 94V-0
- 1.14mm (.045") square pin in tinned brass
- Easy breakaway to desired circuits
- Mates with 5070 series headers
- With standoff minimise flux retention
- For Board to Board interconnection
- Other Options consult with the Sales Office
