

Leotronics Quality Policy

The continuing policy of Leotronics is to provide a high quality, professional and efficient service to ensure the satisfaction of all the requirements to our customers. This achievement will result in securing continued efficiency, high quality product, a strong customer focus and enhancement of long-term sustainability and profitability within the organisation.

Leotronics Management will show leadership and commitment, and bear the responsibility for establishing, implementing, integrating and maintaining the Quality Management System.

The company quality policy calls for continuous improvement in its quality management activities and business will be conducted to the following principals:

- Comply with all applicable laws and regulations
- Management team will show leadership and commitment of the quality management system
- Ensuring sufficient resources are made available within the organisation
- Through direction and support, each employee will have a proper understanding of the importance of the Quality system function, their responsibility to contribute to its effectiveness and its direct relevance to the success of the organisation
- Work closely with our customers and suppliers to establish the highest quality standard
- Take due care to ensure that activities are safe for employees, associates and suppliers and others who come into contact with our work.

The organisation has a policy of promoting continual improvement and setting of quality objectives in line with the framework laid down within ISO 9001:2015 standard. These objectives will address the risks and opportunities within the organisation as determined by management.

We hereby certify that this quality manual and the procedures manual accurately describes the quality system in use within Leotronics to meet the requirements of ISO 9001:2015.

The quality system will be monitored, evaluated and enhanced regularly under the managements ultimate responsibility of the status and effectiveness at all levels.
